

FLINT RIVER KNIFE CLUB

2012 Club Benefit Knife
Ask any club member how you may
be able to own it!

Knife is made from Alabama Damascus' Buckshot Pattern Damascus bar stock (Thanks to Alabama Damascus, for helping us with acquiring it...Brad and Lacy were very helpful and generous) The knife is 10-3/4" long with a blade width of 1-7/16" and is .150 thick. Full tang construction allowed the "feathers" to be filed in the spine, and small details engraved. The handle material is Honduran Rosewood burl pinned with 416 stainless pins. A walnut storage/ display box is custom made for this knife.. The Eagle's head was engraved on both sides by the maker.
