

April 2009

Flint River Knife Club

MARCH OUTING The outing at Jerry Costin's shop was very enjoyable. The weather was beautiful. The conversation was lively. Carl Rechsteiner provided a forging demonstration, letting Jerry's grandson try his hand at forging a blade. Nola and Jerry were gracious hosts. But don't despair, if you missed this outing, there will be another one in May at Rade Hawkins' shop! Details will follow in May's newsletter.

SAD NEWS Peggy Ragsdale, wife of the club president, Jim Ragsdale, passed away unexpectedly at home on March 8. Her contagious laughter, caring ways and warm hugs will be greatly missed by all of us! Please keep Jim and his family in your thoughts and prayers in the months to come.

NO KNIVES WILL BE PHOTOGRAPHED AT THE APRIL MEETING Instead there will be further discussion at the April meeting on how to best present the members' knives to be put on the website.

PROGRAM for the month of June is still available. If you are a member and have not yet presented a program, please consider doing so in June. Everyone enjoys these short programs, and you don't need to actually present it yourself; you can ask someone to do it.

Batson Symposium, April 3-5, Tannehill, Alabama.

NEXT MEETING
TUESDAY
APRIL 7
