Flint River Knife Club

The Club held its first **Knife Show** and Demonstrations at the American Legion Post in Fayetteville. It was an enjoyable day for all, with a good turnout from the public. Dave Smith was the winner of the knife donated by Jerry as a fundraiser for the club.

In June the Club set up a table outside the hall area of the **2018 Blade Show**. So many people stopped by that we will have two tables next year!

The Club Benefit Knife, "The Kris," is complete and tickets are available to sell. The knife was made during the demo at the January meeting. Tickets can be purchased for \$10 a ticket from Nola Costin

The Benefit Knife

Wayne Hensley was honored at the July 21 Quarterly Club Meeting for 45 years as a knife maker. He also gave a presentation about his start in knife making and his many accomplishments.
