

January 2014

## Flint River Knife Club

Despite the stormy weather, those who were able to attend the Christmas Dinner had an enjoyable time. The venue was very nice and the food was delicious. People were seated in small groups at round tables, providing the perfect setting for getting to know one another better. It was expected that the president would receive the 00 numbered Club Knife, but the secretary did not expect the surprise thank you gift she received. It was a beautiful pen set completely crafted by James Mitchell. I would call that "going out in style!"

The 2014 Club Knives will be distributed at the January meeting. If you were not at the November meeting, please contact Marsha Brewer to see what numbers are still available. Her email is [marshadawg8@yahoo.com](mailto:marshadawg8@yahoo.com) and her phone is 404-401-7704.

The next meeting is Tuesday, Jan. 7 at 7 pm.
