Jim Ragsdale will give the PROGRAM PRESENTATION for June. He will tell us what he learned about making folders at the class he recently attended. He was able to attend the class because he had won the drawing for a scholarship at one of the meetings. You, too, could be a lucky winner and attend an event or class of your choice with a scholarship of maximum value of \$750! First, you have to be present at the club meeting.

The month of OCTOBER is still available for any one to give the program presentation. Remember, you do NOT have to do it yourself; you may ask someone else to give a presentation or demonstration relating to knives. Contact the secretary, Cheryl Mullikin, at 770-719-3486 or leprekon@earthlink.net.
